MOTHERS' CLUB HOLD MEETING

First Meeting of the Year Was
Held Monday Afternoon

BUSINESS TRANSACTED

The Parents, Teachers' and Friends' Club met September 13th at the school building at 4:00 o'clock with eleven members present and two visitors. Mrs. L. J. Brucks presided.

After roll call the minutes of last meeting were read and approved.

Reports of committees were heard.

Committee for amending constitution and by-laws reported not having finished, and were given more time. Mrs. Monkhouse was appointed to take the place of Miss Yarbrough on this committee.

Mrs. Short reported that the trees on school ground had been watered through the summer twenty times costing 75 cents each time for the work. M. A. Wilson donated the water, and a vote of thanks was given him. This committee was discharged.

Committee for securing books for the school library was not ready to report, so were given more time.

Mrs. Crow's resignation as secretary was read but not accepted.

A letter from C. A. Rose of Kansas City in regard to a "Tom Thumb Wedding" was read and discussed, but rejected.

Mrs. Windrow and Mrs. H. J. Meyer were appointed to visit the school this month.

Mrs. Short and Mrs. Campbell were appointed to collect dues for state.

Mrs. Ed. Cameron was enrolled as a new member.

Prof. E. C. Soule, principal of The

Training School of San Antonio, was a welcome visitor and spoke a few words in the interest of his school as well as words of praise and encouragement to our Club.

No other business, the meeting adjourned.

PRESS REPORTER.

School Opening.

The Hondo school opened under very favorable conditions last Monday morning with 400 pupils in attendance. Several patrons of the school were present and a few brief remarks appropriate to the occasion were made by Superintendent P. B. Peterson and Fletcher Davis of the school board, after which the work was begun.

This is Superintendent Peterson's second term here. He is supported by an able principal and faculty and we predict a successful term for the Hondo schools.

County Superintendent W. N. Saathoff reports most of the rural schools opening with a good attendance and is very much encouraged over the interest and enthusiasm displayed by his teachers. He is confident of a successful term for the rural schools of the county.

Literary Society Organized.

The tenth and eleventh grades met at the school house Wednesday evening to organize a literary society. Miss Lewis acted as chairman.

The following officers were elected: Caughey Horger, president; Louis Carter, vice-president; Goldie Hurt, secretary; Bessie Brucks, press reporter.

Ruby Nowlin, Lucie Woolls and Steve Filleman were appointed a committee to select a name, motto, flower and color for the society.

Glee Fusselman, Herman Filleman and Willie Crow were appointed as a program committee.

It was decided to meet every two weeks.

PRESS REPORTER.

LAST DAY OF INSTITUTE INTERESTING

Medina County Teachers' Institute Adjourned Friday

RESOLUTIONS ADOPTED

The last day of the Medina County Institute was filled with many interesting and profitable speeches and papers. Prof. W. L. Wootson of Southwest Texas Normal addressed the teachers on the subject of "Different Types of Teachers." His remarks were very practical and were enthusiastically received by all present. Dr. Fletcher of Hondo gave the Institute a very beneficial and instructive talk on the question of hygiene in our public schools.

At the afternoon session the Institute considered the county track meet for next spring. Great interest was manifested; each teacher pledged himself to be present and to bring a team for a number of the entries. The meet will be at Hondo next spring.

It was decided to hold four local institutes during the coming year. They will be held at Yancey, D'Hanis, New Fountain and Lacoste.

The Institute adjourned after one of the most profitable meetings in the history of this county. Prof. Saathoff, County Superintendent, has been untiring in his efforts to make the Institute profitable and practical to his teachers. Medina county ought to be congratulated upon having Prof. Saathoff as Superintendent. He is well up on the great educational questions of the day.

The following resolutions were adopted:

Whereas, we, the members of the Institute of Medina County and the Independent School District of D'Hanis have been tendered the most cordial hospitality by the citizens of Hondo and by Mr. and Mrs. Fly in opening their home for the reception tendered the Institute by the faculty of the Hondo Schools.

Whereas, the teachers of Hondo have rendered our stay more pleasant by their thoughtfulness and special courtesy;

Therefore, be it resolved:

That we express our sincere appreciation to the citizens and teachers of Hondo and to Mr. and Mrs. Fly.

Be it further resolved, that a copy of these resolutions be spread upon the minutes of this Institute and published in the leading county paper.

Whereas, the visiting speakers have so ably and effectively given us their views on prominent educational problems; and

Whereas, the County Superintendent, Mr. W. N. Saathoff, by his well directed and earnest efforts, has made the Institute a source of great profit and inspiration to us;

Therefore, be it Resolved:

That we express our sincere appreciation to the Board of Trustees of the Hondo School, to the visiting speakers and to the County Superintendent, W. N. Saathoff, for the helpful and pleasant session.

Paint or Not.

Is a horse worth more or less after feed?

Hay and oats are high today; shall I wait today and feed him tomorrow?

That's how men do about painting their houses and barns and fences. Paint has been high for several years; and so they have waited. Some are still waiting.

Their property drops a trifle a year and the next job of paint creeps-up creeps-up creeps-up; it'll take more paint by a gallon a year; they don't save a cent, and the property goes on suffering.

DEVOTE

Holloway Bros. sell it.

Missionary Society.

The Woman's Missionary Society met at the Methodist church Monday afternoon, Sept. 6th, at four o'clock, in their regular business meeting. Eleven members were present and much interest was manifested.

On Saturday Sept. 18th the Methodist ladies will sell cakes and pies at the Hondo Mercantile Co. and we hope the public will take advantage of this opportunity to get good homemade cakes and pies for their Sunday dinner.

New Fountain Notes.

The New Fountain school opened Monday with Prof. Aug. Myres as principal of the school and Miss Sweeney as assistant teacher. Prof. Myres taught here a few years ago and the patrons and pupils of the school are glad to again have Mr. Myres as their teacher.

The Thousand Acre Singing Society met at the residence of Charles Senne last Sunday night and sang beautiful songs.

Mr. and Mrs. Fritz Saathoff are entertaining a new guest since Aug. 31st, in the person of a bouncing baby boy. Congratulations.

A baby boy also made his debut at the home of Mr. and Mrs. Willie J. Saathoff Monday, September 13th.

Milton Weyerts, after a pleasant visit with relatives here, left the first of last week for Brackettville, where, after a few days' visit with relatives he proceeded on his way home to Alpine.

Lina Winkler was visiting relatives at the upper Hondo last week.

Mrs. Katie Leinweber and daughters, Helena and Hulda, were here in their car Saturday.

Mr. and Mrs. W. J. Hartmann of Thousand Acre visited Mr. and Mrs. J. D. Hueschen in this neighborhood Sunday.

Walter Winkler and sisters, Misses Lydia and Katie, visited relatives, John Grosenbacher and family, in Bexar County Saturday and Sunday. They were accompanied home by their cousin, Miss Hulda Grosenbacher.

Oscar Moehring and sister, Miss Josie, of the Lower Hondo visited relatives here Sunday.

Miss Hulda Muennink left the first of last week for San Marcos to attend school. The writer wishes her success in her chosen studies.

John Muennink is having his residence remodeled. Willie Bader is doing the carpenter work.

Mr. and Mrs. Henry Schweers Sr. of San Antonio were here last week visiting relatives.

Mr. and Mrs. John Balzen of Sturm Hill visited F. H. Bohlen and family Sunday.

Mr. and Mrs. Chas. Stiegler and Mr. and Mrs. Hy. Hartmann visited Mr. and Mrs. Anton Folk at Thousand Acre Sunday.

Messrs. Charles and Louis Saathoff left Sunday for Kerrville.

Mrs. Hubert Burger returned last week from San Antonio where she underwent a successful operation.

Mrs. Anton Burger of Bader Settlement is visiting her mother, Mrs. Anna Saathoff, in this neighborhood. New Fountain, Texas, Sept. 15, 1915.

Miss Bradley Honored.

Mrs. A. G. Walker entertained Tuesday afternoon with a novelty shower honoring Miss Nita Bradley, whose wedding has been announced.

The bridal decorations in pink and white with tiny kewpies were used in the reception hall and living room.

The guests were ushered into the living room and after all were seated, dainty hand-painted cards with tiny white pencils were passed and each wrote a toast to the bride. They were then collected and put in a pretty pink and white box, after which pink punch was served, Mrs. W. H. Walker of San Antonio presiding at the punch bowl.

The guests were then invited into the dining room, after all had taken their respective places, the bridal march was played by Miss Mary Kempf and Miss Bradley entered on the arm of Mrs. P. L. Crain. Mrs. Crain then presented her with the key to the shower house stating: This little house the shower holds And with this key the door unfolds.

The table was made attractive with decorations of pink and white, the lilies of the valley was the flower used, the center ornament being a large house covered in pink, with green vines and lilies of the valley, from the chandelier hung streamers of pink and white satin ribbon fastened at the table with large bows. Placed artistically about were tiny kewpies, each holding a pink and white streamer which reached to a large kewpie suspended from the chandelier.

Miss Bradley opened the door of the little house and passed each gift around for guests to view.

An ice course was served in pink and white and the cakes in pink and white also, the plate favors were tiny bags of rice to shower on the bride on her wedding day.

After the ice course Miss Hazel Moffield read the toasts which were very encouraging to the bride.

Miss Bradley was the recipient of many beautiful gifts.

Some Blow.

A small cyclone passed just east of town Wednesday afternoon. It passed in a northwesterly direction and did considerable damage to buildings on J. G. Heyen's, C. W. Gilliam's, Dr. E. R. Bradley's, Horace Bradley's, A. T. Beal's, C. W. Stone's, Harin Frerichs', and Henry Britsch's farms, and did other damage along its route. Five telephone poles were blown down on the Hondo-Dunlay road and eleven on the Hondo-Quilhi road. This storm was something very unusual for this section.

Commissioners' Court.

Commissioners' court was in session Monday and Tuesday. A large delegation was here from Lacoste, Castroville and Rio Medina, and a strong petition protesting against the use of any of the \$40,000 road bond issue for bridge purposes was presented to the court. The court granted the petition. No bids for the purchase of the bonds were received.

After transacting other routine matters the court adjourned Tuesday evening.

Card of Thanks.

Since it has pleased our Heavenly Father to call to rest our beloved husband and father, after so lingering an illness, we wish to publicly thank the kind neighbors and friends for their interest, help, and sympathy during his illness and death. May the Giver of all good and perfect gifts reward you abundantly.

MRS. J. G. MUELLER
AND CHILDREN.

Married.

Dr. Frank Cockrell of this place and Miss Doyle Threikill were married in San Antonio at 10 o'clock a. m. Wednesday, September 15, 1915. They left at once for New Orleans where the doctor will continue his studies at the Tulane University.

The Anvil Herald extends congratulations and best wishes.

Philathea Meeting.

The Philathea Class met at the home of Mrs. Wenshauff on Tuesday afternoon, Sept. 7th.

There was a good attendance and Bro. Alexander conducted a very interesting lesson from the Book of James.

The hostess served delicious punch and sandwiches.

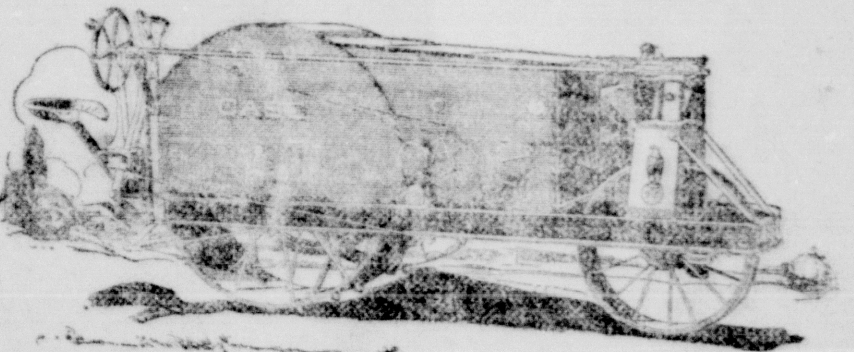

Our next lesson will be the Book of First Peter.

Methodist Church News.

Subject next Sunday morning, "Children's Rights." We are very anxious to have a good hearing on this subject by all classes, parents and children of all ages. Evening subject, "The Book with Wings."

JOHN M. ALEXANDER, Pastor.

The CASE 10-20 TRACTOR

It isn't an ordinary little Tractor ---it is a Case product. Unlike many other small tractors it will be working when others are scraps. Tractors for scrap are cheap to buy but they are expensive as an investment.

That's why the new Case Tractor has made a wonderful hit.

Thousands of farmers have been waiting for a small machine that they could rely on, one built to serve not only this year and next but for years to come. Here they have found it and they know it.

This CASE 10-20 will pull three Mold Boards or four Disc Plows.

Review of "T. B. C."

About seven months ago some one—at least quite a number of some ones—prophesied that the "T. B. C." Club would have "evaporated" in two months time, and because our reporter (?) has been on her vacation and has neglected her duty, the prophets feel sure that they have prophesied correctly—even though they did miss it a few months.

But by reviewing history we find away back yonder how the malefactors couldn't agree and were not only fussing but fighting—so we don't think they have much room to talk. However, we aren't angry because "they" were kind to us ONCE and took us to the grandest "musical"—which we can't forget.

Despite the fact that we have been busy planning showers, taking part in weddings, visiting, entertaining, fishing and swimming, we have not missed many club meetings this summer.

During the summer Miss Bessie Mae Chancey delightfully entertained the Club with a "box party and hypnotic stunts"; and another night Miss Mary Kempf took us to the "Stardome"; Mrs. P. L. Crain entertained the Club at her apartments; Miss Johanna Rothe gave a "movie" party in honor of her guest, Miss De Bona of Eagle Pass; and Miss Lucile Mercer was "at home" to her friends a few weeks ago, besides numerous other meetings that haven't been mentioned, so you see we haven't been so dead after all.

In fact, our Club is very much alive and it seems very attractive, at least to Dan, for not many months ago he drew his bow and the arrow slipped—but it always hits and it resulted in the pink and blue wedding which we liked never to have lived through; in fact, some of us are still shaking—when along came Dan Cupid again.

The little rascal! He surely believes in keeping those "T. B. C." girls busy. This time he picked one of our prettiest brunettes, and by the way one of our most diligent workers.

But Dan has his eyes on four more of our members, and if we don't watch out we'll be "M. L. C." instead of "T. B. C." But I believe Dan likes to see those poor girls work. He keeps them so busy that they "tat" on the trains, embroidery until 12:00 o'clock at night and crochet at the dinner table. Who are they? Guess.

So you see, boys, we aren't "evaporating" at all, and who knows but that we may some day have another "demon party," or shall it be "Polka Dots."

PRESS REPORTER.

Motor Rural Carrier Examination.

The United States Civil Service Commission has announced an examination for the County of Medina, Texas, to be held at Hondo, on October 9, 1915, to fill the position of motor rural carrier at Hondo, and vacancies that may later occur on motor rural routes from post offices in the above-mentioned county. The salary on motor routes ranges from \$1,500 to \$1,800 per annum. The examination will be open only to male citizens who are actually domiciled in the territory supplied with mail by a post office in the county and who meet the other requirements set forth in Forms 2121 and 2177. Form 2121 may be seen posted at any post office in the county for which the examination is held, and Form 2177 and application blanks may be obtained from the offices at which the vacancy exists and where the examination is to be held, or from the United States Civil Service Commission at Washington, D. C. The appointee to this position will be required to furnish, maintain, and operate a modern motor vehicle with a carrying capacity of not less than 800 pounds and a cubic capacity of not less than 80 feet. Applicants must file with their applications a statement of the equipment they will be able to provide in the event of appointment. Applications should be forwarded to the Commission at Washington, D. C., at the earliest practicable date.

Mr. and Mrs. Decker Entertain

Mr. and Mrs. Robert Decker delightfully entertained Wednesday evening with a forty-two party in honor of their guests, Misses Schuchardt and Jecker of Victoria.

Refreshments, consisting of brick ice cream and cake, were served, after which prizes were awarded to the following: Miss Ethel Sanders, ladies' first prize; Earl Starnes, gentlemen's first prize; Felix Richter, consolation; Elmer de Montel, booty.

All departed at a late hour declaring Mrs. Decker an ideal hostess. The following were present: Misses Ethel Sanders, Mary Kempf, Johanna Rothe, Lizzie Schuehle, Bessie Mae Chancey, Lucile Mercer, Abbie Bradley, Pearl Newton, Marie and Dora Filleman, Lucile and Lorine de Montel, L. and C. Decker, A. M. Williams, Lucy Crane, E. Posy, and Mabel Hollaway; Messrs. Felix Richter, Oscar Taylor, Hans Rothe, Ed Ney, Othello Bradley, Geo. Carle, Earl Starnes, Frank and Arthur Jungman, Willie Windrow, Tom Gilliam, Elmer, Ermitt and Elbert de Montel, A. Turner, Geo. Schuehle and Milton Schmitt.

Perfect Confidence.

Hondo People Have Good Reason For Complete Reliance.

Do you know how—
To find relief from backache;
To correct distressing urinary ills;
To assist weak kidneys?
Your neighbors know the way—
Have used Doan's Kidney Pills;
Have proved their worth in many tests.

Here's Hondo testimony.
Mrs. H. G. Hardt, trained nurse, Hondo, says: "As a nurse of seventeen years' experience, I can say that Doan's Kidney Pills have given splendid results in cases where I have used them. In the country where I live, it is often inconvenient to go to town for medical assistance and Doan's Kidney Pills have several times been of great assistance in relieving cases of kidney complaint. My observations of Doan's Kidney Pills leads me to recommend them to sufferers from kidney complaint."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hardt had. Foster-Milburn Co., Props., Buffalo, N. Y.

When a married woman advises a girl to remain single her advice falls on deaf ears. A girl wants to discover the reason for herself.—New York Globe.

To The Public.

"I feel that I owe the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy a word of gratitude," writes Mrs. T. N. Witheran, Gowanda, N. Y. "When I began taking this medicine I was in great pain and feeling terribly sick, due to an attack of summer complaint. After taking a dose of it I had not long to wait for relief as it benefited me almost immediately." Obtainable everywhere.

The earth is supposed to be gradually, though almost imperceptibly, slowing down on its axis. But the people of the earth are speeding up.—Omaha Bee.

Biliousness and Constipation.

It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere.

You can flatter a man or woman in five minutes into doing some thing that you couldn't drive him or her into doing in five hours.

Best Treatment for Burns.

If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the parts without leaving a scar. This salve is also unequalled for chapped hands, sore nipples and diseases of the skin. Price, 25 cents. For sale by All Dealers.

The man honest enough to admit in an argument that his opponent has made a point, falls an easy prey to the book agent.

Worth Their Weight in Gold.

"I have used Chamberlain's Tablets and found them to be just as represented, a quick relief for headaches, dizzy spells and other symptoms denoting a torpid liver and a disordered condition of the digestive organs. They are worth their weight in gold," writes Miss Clara A. Deitz, Elba, N. Y. Obtainable everywhere.

A good number of folks holler hard luck when the same amount of energy properly directed would bring good luck.

None Equal to Chamberlain's.

"I have tried most all of the cough cures and find that there is none that equal Chamberlain's Cough Remedy. It has never failed to give me prompt relief," writes W. V. Harner, Montpelier, Ind. When you have a cold give this remedy a trial and see for yourself what a splendid medicine it is. Obtainable everywhere.

That a man is at his best at twenty-nine will not be taken very seriously by older men.—Norfolk Ledger-Dispatch.

Good for Biliousness.

"I took two of Chamberlain's Tablets last night, and I feel fifty per cent better than I have for weeks," says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by All Dealers.

There are too many people who are disposed to attend to public business before their own.—New York World.

I. N. Johnson vs. Known Heirs of Paget Halpin, et al.

1775 vs. District Court, 38th Judicial District of Texas, for Medina county.

State of Texas, to the Sheriff or any Constable of Medina county, Greeting:

You are Hereby Commanded, that by making publication of this Citation in the newspaper published in the County of Medina once in each week for eight consecutive weeks previous to the day hereof, you summon the heirs of Paget Halpin and the unknown heirs of the heirs of the said Paget Halpin, whose names and residences are unknown to plaintiff herein, to appear at the next regular term of the Honorable District court of the 38th Judicial District of Texas, held in Medina county to be holden at Court House thereof, in the town of Hondo on the eighth Monday after the first Monday in September, A. D. 1915, the same being the first day of September, A. D. 1915, then and there answer plaintiff's original petition and in said Court on the first day of September, A. D. 1915, in a suit numbered on the docket of said court No. 1775, wherein I. N. Johnson is plaintiff, and the heirs of Paget Halpin, and the unknown heirs of the heirs of the said Paget Halpin, are defendants; the nature of plaintiff's demand being substantially as follows, to-wit:

Plaintiff sues defendants in trespass and to recover the property hereinafter described; plaintiff alleging, that on the 3d day of July, A. D. 1915, he was seized and possessed and entitled to the possession of said land and premises, holding and owning the same in fee simple; that on August 3d, 1915, defendants unlawfully entered upon said land and premises and ejected plaintiff therefrom, and still unlawfully withhold from plaintiff the possession thereof, to his damage \$1,000.00; that the land and premises withheld by defendants from plaintiff and for the recovery of which plaintiff sues, is described as follows, that is to-wit:

Situated in Medina county, Texas, known as Survey No. 486, on the waters of Deer Creek, a tributary of Moyo Seco and Fris River, about 16 miles S. 45 deg. W. from Hondo City, by virtue of Bounty Certificate No. 285, issued to Thomas Taylor by Edward E. Bee, Secretary of War, February 9, 1838; beginning at a stake the S. E. cor. of a 320 sur. No. 486 in sec. 6, made for Jos. Leyer for the S. W. cor. of this sur., a mesq. 6 inches hrs. S. 64 deg. E. 31 vrs., another mesq. 4 inches, hrs. S. 89 deg. E. 55 vrs; thence E. 1244 vrs. to a stk. and md. for the N. E. cor. of No. 1109, a mesq. 8 inches S. 164 W. 19 vrs. mesq. 7 inches, N. 33 deg. W. 18 1/2 vrs; thence N. 1244 vrs. to a stk. for N. E. cor.; thence W. 1344 vrs. to a stk. for the N. E. cor. of sur. No. 486, sec. 6 and the N. W. cor. of this sur., a mesq. 8 inches hrs. S. 18 deg. E. 15 vrs. and

other 7 inches, hrs. N. 38 deg. W. 16 vrs.; thence S. with E. line of No. 486 1344 vrs. to the place of beginning. That the aforesaid tract of land was purchased by plaintiff from the Virgil A. Johnson heirs on the 2d day of July, A. D. 1915, which deed is duly recorded in the deed records of Medina county, Texas, Book No. 51, page 231, and by which deed plaintiff acquired the title to said land and premises. That said Virgil A. Johnson died intestate leaving certain persons his heirs at law; that said plaintiff was one of said heirs and that his co-heirs conveyed said tract of land to him; that plaintiff's ancestor, V. A. Johnson, acquired said land about twenty years ago at a tax sale.

In addition to alleging that plaintiff is the true and lawful owner in fee simple of said premises, plaintiff seeks to recover said land and premises by virtue of the statutes of limitations of five, ten and twenty years, respectively.

That the claim of said defendants to said tract of land is unknown to plaintiff further than the fact that the said defendants, according to the records of Medina county, Texas, are asserting, or pretending to assert, a title to said premises, for in this they have caused to be issued and placed of record in the deed records of Medina county, Texas, a patent from the State of Texas, No. 614, Vol. 16, dated December 13, 1906; said patent is issued by the State of Texas to the heirs of Paget Halpin, and is for said survey of land.

Wherefore plaintiff prays for judgment against said defendants for the title to, and possession of, said land and premises, decreeing that all the right, title and interest of said defendants in and to said land and premises, be cancelled, and that the same be divested out of them, and each of them, and be duly vested in plaintiff; that plaintiff have judgment against said defendants herein for the recovery of said land and premises and for their restitution to plaintiff, for his damages, and all costs of suit; and plaintiff prays for such other judgment and decree as the facts may warrant, and for general relief; all of which will more fully appear by reference to plaintiff's said original petition, now on file in my office.

Herein fail not, but have you before said court on the said first day of the next regular term thereof this writ with your return thereon showing how you have executed the same.

Given under my hand and seal of said court at office in the town of Hondo this, the second day of September, A. D. 1915.

Issued September 2d, 1915.

[L. S.] AUGUST KEMPF, Clerk District Court, Medina County, Texas.

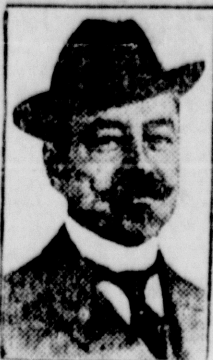

Came to hand on September 2d, A. D. 1915, at 11:00 o'clock A. M., and publication of the above Citation ordered made in the Hondo Anvil Herald.

J. F. EADER, Sheriff of Medina County, Texas.

By WESLEY FAVOR, Deputy.

OUR PUBLIC FORUM

R. P. Schwerin On the Seamen's Bill

The American plowmen are interested in sea commerce. It is expensive and likewise humiliating to have to salute a foreign flag every time a farmer wants to ship a bushel of wheat, a bale of cotton or a pound of farm products across the ocean. The American farmer is entitled to the protection of his flag in sending his products across the sea and Congress should give such encouragement to shipping interests as is necessary to meet foreign competition in ocean commerce. A recent bill known as the Seamen's Bill became a law under the President's signature and Mr. R. P. Schwerin, vice-president of the Pacific Mail Steamship Company, when asked to define this law and outline its effect upon American steamship lines, said in part:

"The bill provides that no ship of any nationality shall be permitted to depart from any port of the United States unless she has on board a crew not less than seventy-five per centum of which, in each department thereof, is able to understand any order given by the officers of such vessel, nor unless forty per centum in the first year, forty-five per centum in the second year, fifty per centum in the third year, fifty-five per centum in the fourth year after the passage of this Act, and, therefore sixty-five per centum of her deck crew, exclusive of licensed officers and apprentices, are of a rating not less than able seaman."

The overseas trade of the world is competitive, therefore the original cost of the ship and the operation of the ship have to be reckoned with in the keen competition of these rival nations with one another. The Oriental sailor is obedient and competent and is the cheapest sailor in the world. It is therefore manifestly clear that if this law applied to all nationalities in the transpacific traffic, all would be on the same economic basis, but it works a single hardship to all the ships of the world, except the Japanese and American ships, and with the latter it works two hardships. With the European, the cost of constructing a ship is no higher than the cost of constructing a Japanese ship, but if they had to provide European crews, while the Japanese operated with Japanese crews, the condition of competition would be such that they could not overcome the handicap and they would be driven off. But the American ship would have to contend not only with the tremendous increase of cost of wage in the substitution of the European crew for the Chinese crew, but also the greater initial cost of the ship. As the Japanese have now done away with their European officers and Japanese crews, all of whom speak a common language, there is no difficulty for them to comply with all the conditions of the bill and continue their Japanese crews with Oriental wages.

The law, therefore, instead of assisting the American ship, adds another heavy burden, while it places none whatever upon the Japanese ship, but, on the contrary, turns over to the Japanese the traffic of the Pacific Ocean, which the American ship is forced to forego by act of Congress of the United States."

OUR PUBLIC FORUM

Ralph Peters On Railway Mail Pay

A controversy has been raging in the columns of the press between the railroads and the Federal Post Office Department over the question of proper compensation for handling the United States mails. Mr. Ralph Peters, Chairman of the Railway Mail Committee, when asked to state the railroad side of the controversy to the American farmer, said in part:

"The railway mail pay question will be settled—and settled permanently and with justice to all concerned—as soon as the American people realize that the whole subject, while seemingly complicated and technical, boils down to a few simple points of fair business dealing which no one need be a rate expert to understand.

The first is that the Post Office Department weighs the mails, and readjusts the pay of the railroads, only once in four years. This compels the railroads to carry the increase in the mail tonnage during the intervening years without pay—manifestly an injustice in the case of a rapidly growing business. One consequence has been that last year the railroads carried fully half the parcel post for nothing.

A second point is this: In addition to carrying the mails, the railroads are required to operate many travelling post offices for sorting and distributing the mails while in transit. But the Post Office Department pays for such post offices only where they occupy whole cars, and pays nothing in the many cases in which it merely requires the use of post office apartments in combination cars, although such apartments differ from the full railway post office cars only in size. More than 4,200 apartments of this character have been fitted up, and are maintained for the exclusive use of the Post Office Department. Failure to pay for them has been an especial hardship to the smaller roads on which the Department does not find it necessary to utilize whole cars.

One last point: In thousands of instances (though not in all) the Post Office Department requires the railroads to carry the mails back and forth between railroad stations and post offices, but pays them nothing for this extra service beyond the rates covering the rail transportation. The railroads have no choice but to perform this additional service gratis, or refuse to carry the mails at all.

Now for the remedies the railroads ask: They do not ask to have the mails weighed daily, or to have each shipment weighed and paid for separately, as is done in the case of private shippers. They merely ask to have the mails weighed, and the pay of the railroads adjusted, at least once a year, instead of once in four years. They also ask that apartment post office cars be paid for, at reasonable rates, according to size. Lastly, they ask that the Post Office Department cease to require of them free messenger service between stations and post offices, and either relieve them of this service or pay fairly for it. These are the reforms the railroads ask of Congress. They gladly lay these reforms before the public, confident that they will appeal to the common sense and fairness of American voters."

OUR PUBLIC FORUM

R. C. Duff On Cotton As Contraband.

Hon. R. C. Duff, one of the highest authorities on International law in the nation and one of the most capable citizens in the United States, when asked to investigate the exporting of cotton and interpret the laws of nations on this subject for the American plowman, said in part:

"Article 23 of the Declaration of London reads as follows: 'The following may not be declared contraband of war: (1) raw cotton, wool, silk, etc.' Great Britain is not only a signatory of the Declaration of London, but in fact called the conference and insisted upon the inclusion of raw cotton on the list of absolute non-contraband. Under this declaration, which was subscribed to by all the maritime nations, we have a right absolutely to ship cotton, not only to neutral ports of Europe, but to Germany and Austria themselves. Humanity shudders at the thought of the death of the splendid Americans who went down on the Lusitania, but humanity would have more cause for shuddering if it could have presented to it in some similarly striking and dramatic way the woe, sorrow and suffering that will be occasioned to multiplied thousands of men, women and children in the Southern states as a result of cotton being forced down to starvation prices.

The reason why cotton does not command 18 or 20 cents per pound is simply because Great Britain has a naval strangle hold on our shipments and, therefore, on the world supply. England sends her ships of war out into the open seas, captures American cotton, no matter to whom the same may be destined, carries it into British ports, sets up prize courts of her own nomination, which prize courts, of course, are operating in her favor and which, under such circumstances, after whatever delay they elect to impose, assess the damages of the American shipper at whatever price they see fit and then, after having by such process 'bought' our cotton, she avails herself of the extraordinary high prices existing on the continent of Europe, produced in part by her diversion of our shipments, to resell it at a profit. The American shipper has no recourse except to the government. The acts of Great Britain referred to, according to the well-recognized principle of International law constitute war against the United States.

This grievance is now of many months standing and the South is about to bring to market another great crop of cotton. Under such circumstances one would expect that our government, without prompting, would know perfectly well how to deal with acts on the part of the British government, amounting to warfare against our trade and country.

It is not necessary for us to resort to war against Great Britain in retaliation. A simple, adequate and obvious remedy would be for the president to advise Great Britain that unless she respects the law of nations as regards our foreign commerce, he will call on Congress to adopt a resolution forbidding the exportation of arms and munitions of war to foreign countries.

To Our Subscribers.

The season of the year for settling up accounts has arrived. There are several hundred of our subscribers who have not paid their subscription this year. This money, while small in amount to each subscriber, aggregates a considerable sum to us. We need it in our business and you will find it more convenient to pay while the sum is small than after it has been allowed to accumulate. Please do not wait for us to send a statement or a collector to you but call at the office and settle or mail the same to the paper. By doing this you will greatly oblige us and help us in our efforts to render you good service. We are trying to do something for you every week by giving you a good paper. Will you do this for us?

Yours to serve,
FLETCHER DAVIS,
Editor.

Swellings of the flesh caused by inflammation, cold, fractures of the bone, toothache, neuralgia or rheumatism can be relieved by applying Ballard's Snow Liniment. It should be well rubbed in over the part affected. It's great healing and penetrating power eases the pain, reduces swelling and restores natural conditions. Price 25c, 50c and \$1.00 per bottle. Sold by W. H. Windrow.

"There is no place like home" applies as forcibly to the man who finds it impossible to stay there.

Yellow complexion, pimples and disfiguring blemishes on the face or body can be gotten rid of by detouring the liver, which is torpid. Herbine is a powerful liver correctant. It purifies the system, stimulates the vital organs and puts the body in fine vigorous condition. Price 50c. Sold by W. H. Windrow.

Woman never gets her clothes so tight around the hips that she can't jump at conclusions.

When the bowels feel uncomfortable and you miss the exhilarating feeling that always follows a copious morning operation, a dose of Herbine will set you right in a couple of hours. If taken at bedtime you get its beneficial effect after breakfast next day. Price 50c. Sold by W. H. Windrow.

The girl who graduates with highest honors quite frequently marries the most ignorant stick in town.

For the stomach and bowel disorders of babies McGee's Baby Elixir is a remedy of genuine merit. It acts quickly, is pure, wholesome and pleasant to take. Price 25c and 50c per bottle. Sold by W. H. Windrow.

One reason the wise keep their mouths shut is so they will get paid for telling what they know.

In every home where there are children there should be a bottle of White's Cream Vermifuge. It destroys worms and acts as a tonic in the debilitated system. Price 25c per bottle. Sold by W. H. Windrow.

If there weren't a lot of suckers in this old world a lot of other people would starve to death.

Whenever You Need a General Tonic Take Grove's

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

Sometimes one person appears unusually strong because his associates are unusually weak.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE DRUGS QUININE is better than ordinary Quinine and does not cause nervousness and ringing in head. Remember the full name and look for the signature of E. W. GROVE. 25c.

A knocker usually makes enough noise to be heard above most any uproar.

Cures Old Sores, Other Remedies Won't Cure. The worst cases, no matter of how long standing, are cured by this wonderful, old reliable Dr. Porter's Antiseptic Healing Oil. It relieves Pain and Heals at the same time. 25c, 50c, \$1.00

What's the use of man being good when woman will be called his better half anyway.

Invigorating to the Pale and Sickly The Old Standard general strengthening tonic, GROVE'S TASTELESS chill TONIC, drives out Malaria, enriches the blood, and builds up the system. A true tonic. For adults and children. 50c.

True blue is a term that isn't applicable to good milk.

Piles Cured in 6 to 14 Days. Your druggist will refund money if PAIN-O-INTMENT fails to cure any case of itching, bleeding, or protruding Piles in 6 to 14 days. The first application gives Ease and Rest. 50c.

CHAMBERLAIN'S COUGH REMEDY

FOR
COUGHS, COLDS, CROUP,
WHOOPIING COUGH,
INFLUENZA, HOARSENESS,
AND BRONCHITIS

Does not contain any Narcotic

HAVE YOU WEAK LUNGS?

Do colds settle on your chest or in your bronchial tubes? Do coughs hang on, or are you subject to throat troubles? Such troubles should have immediate treatment with the strengthening powers of Scott's Emulsion, to guard against consumption which so easily follows. Scott's Emulsion contains pure cod liver oil which peculiarly strengthens the respiratory tract and improves the quality of the blood; the glycerine in it soothes and heals the tender membranes of the throat. Scott's is prescribed by the best specialists. You can get it at any drug store. Scott & Bowne, Bloomfield, N. J.

Made My Life Worth Living

"I feel it my duty to tell others what Chamberlain's Tablets have done for me," writes Mrs. L. Dunlap, of Oak Grove, Mich. "I have suffered with pains in my back and under my shoulder blade for a number of years, also with a poor appetite and constipation. I tried all of the remedies that I heard of, and a number of doctors, but got no relief. Finally a friend told me to try Chamberlain's Stomach and Liver Tablets. I got a bottle of them and they soon helped my stomach; by their gentle action my bowels became more regular. Today I feel like praising them to all who suffer as I did, for they have cured me and made my life worth living."

Chamberlain's COLIC, CHOLERA AND Diarrhoea Remedy

THIS is unquestionably the successful medicine in all bowel complaints, and it is a large part of the civilized world. Every man of a family should keep this remedy in his home. Buy it now. It may save life. PRICE, 25c. LARGE SIZE, 50c.

Chalmers Six-40

20% More Power

The Chalmers valve-in-head motor with overhead camshaft is as far in advance of the old types of motors as the self-starter is ahead of the starting crank.

It is generally recognized in the trade and among owners as the 20% more power motor.

THE Chalmers Six-40 is the new motor car at a lower price, equipped with this wonderful new type of motor which has made it necessary for the Chalmers Company to so tremendously increase its production for 1916.

The Season's Motor Sensation

On the hills and country roads where going is hard, this \$1350 car will do all for you that it did for A. E. Walden when he established a record at the recent Uniontown Hill Climb, driving a Chalmers Six-40, that was eight seconds better than the previous record for the class.

Within the limits of touring car service its wonderful valve-in-head overhead camshaft motor will give you all the efficiency and "trigger-quick" getaway that this type gave De Palma and Resta when they averaged 90, 98 and 102 miles an hour for 300 and 500 miles at Indianapolis and Chicago.

Comfortable as a Rocking Chair

The new Chalmers Six-40 is as comfortable as a big library rocking-chair.

The leather upholstered seats are deep and luxurious; the sides of the tonneau are built on the "armchair" principle. You ride in the car—not on it.

The leg-room is ample; the rear springs are 57 inches long—longer than any other car in this class—and the result is that the car glides over rough spots with an easy motion that makes motoring a pleasure under every condition.

Made in Chalmers Shops

Chalmers cars are made in Chalmers shops under the most exacting standards. They are quality cars throughout in style, beauty, comfort and performance.

See us to-day. We will give you a ride over the hills and country roads in this \$1350 car that will prove its 20% greater power.

New Service to Owners

Every Chalmers dealer gives to every buyer of a Chalmers car a Service Coupon Book, each coupon being redeemable for a definite amount of inspection service at any Chalmers dealer's anywhere.

Chalmers Club and Clubman

Every Chalmers owner is entitled to a membership card in the Chalmers Club commending him to the courtesy of Chalmers' representatives everywhere, and to receive "The Chalmers Clubman" regularly without charge.

Up to Thursday night there had been shipped 1902 bales of cotton from this place this season. Up to the same date last year there been shipped 1898 bales.

Cards are out announcing the marriage of Eugene F. Moheld and Miss Nita Bradley which will take place at the Methodist church Tuesday afternoon, Sept. 28th.

Invitations are out announcing the coming marriage of Mr. C. J. Wiemers and Miss Emma Neuman at the Hondo Methodist church, Thursday afternoon, Sept. 23rd.

George Leinweber moved into the home recently purchased from W. L. Crow last week. Mr. and Mrs. Leinweber came to town to get the benefit of our splendid school.

The Mexicans celebrated their national holiday here Thursday with patriotic songs, speeches and dances. Everything passed off very quietly and the "uprising" failed to materialize.

Luther Peterson, the eldest son of Prof. and Mrs. P. B. Peterson, left yesterday for Austin where he enters the State University to take a course in law. We wish the young man success in his studies.

The ladies of the Catholic Church will give a two-days' Fair for the benefit of the church during the second week of District Court, Nov. 9th and 10th. Remember the dates and attend and help a worthy cause.

Miss Ruth Peterson left Saturday for Denton where she has entered the Denton Industrial School for girls for the ensuing term. She was accompanied as far as San Antonio by her father, Prof. P. B. Peterson.

Lorenz Rihn, of Castroville, has secured the agency for Medina county for the W. T. Rawleigh Medical Co.'s Stock Remedies, such as Fly Chaser, Stock, Hog and Poultry Mixture, and many other products too numerous to mention. He will call on you all. Give him a trial. 52-1f.

The millinery emporiums report very satisfactory openings this week. Madame Crane expressed herself as being especially pleased with the attendance at hers. The hats are distinguished this year for neatness and simplicity, being devoid of extremes so noticeable some seasons.

While doing some work on the interior of the Mexican Catholic church Tuesday morning, Rev. Father J. J. Myers, fell from a step ladder and suffered a fracture of his left wrist and a dislocation of the left knee. He was given surgical attention immediately and is progressing so favorably as could be hoped for. The Anvil Herald wishes him a speedy recovery.

The Refining Influence of Music

By Miss Dorothy Harris, Hondo,
Composer of "Just Blues"

Mother, home and heaven are said to be the sweetest words in the English language.

With each of these words we associate the word music. The first music to which we listened and the sweetest music we have ever heard were the lullabys of mother with which she soothed us to sleep in early childhood.

This incident is related: a soldier was dying on the battle field—the chaplain inquired as to his spiritual state, when the soldier in disrespectful tone said: "Don't talk to me on that subject," whereupon the chaplain began singing a familiar air. The soldier quickly turned to him and asked "Where did you hear that?" "My mother sang it to me." "My mother sang that same song to me" said the soldier in softened tones. The incident resulted in his accepting his mother's Savior after which he died in peace.

No less naturally do we associate music with a well ordered home. No hour is more delightfully or profitably spent in the home, than when the family is gathered around the piano or some other good instrument, while some one of the number plays an inspiring melody.

We contemplate heaven as a world of glory and chiefest among its glories as we think of it will be its celestial music. So I think because of its close association with these three words of exquisite sweetness it is entitled to be classed with them. Music associated thus with the memory of mother, the pleasures of home and the hopes of heaven must in the very nature of things be uplifting and refining in its influence.

We may reason a little from another standpoint and arrive at the same conclusion. To refine is to purify, to polish, to eliminate that which is rough or coarse. Music is harmony in general, it is a pleasing and intelligible combination of tones. So it is the very opposite of that which is rough or coarse, and its influence naturally tends to eliminate these elements in our natures and thereby give us culture, polish and refinement.

I don't know that I can do better just here than to give a some what lengthy quotation from Dr. Talmage.

"There has been a discussion as to where music was born. I

Beware of Ointments for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system which enters it through the mucous surfaces, such art has should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure is sold by Dr. J. C. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by Dr. J. C. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

think at the beginning when the morning stars sang together and all the sons of God shouted for joy that the earth heard the echo. The cloud on which the angels stood to celebrate the creation was the birth place of song. Inanimate nature is full of God's stringed and wind instruments. * Silence itself—perfect silence is on a musical rest in God's great anthem of worship. Wind among the leaves, insects humming in the summer air, the rush of billow upon the beach, the ocean far out sounding its everlasting psalm, the bobolink on the edge of the forest, the quail whistling up from the grass, these are music. Not only is inanimate nature full of music, but God has constructed the human voice, so that in the plainest throat and lungs there are fourteen direct muscles which can make over sixteen thousand different sounds, and there are thirty indirect muscles which can make, it has been estimated, more than one hundred and seventy-three millions of sounds."

Now I say when God has so constructed the human voice, and when He has filled the whole earth with harmony, and when He recognized it in the ancient temple, I have a right to come to the conclusion that God loves music. Again speaking of the power and charm of music Dr. Talmage says: "We know it has made its impression on governments, upon laws, upon literature, upon whole generations. One inspiring national air is worth thirty thousand men as a standing army. There comes a time in the battle when one bugle is worth a thousand muskets."

In connection with this study of the ennobling and refining influence of music, perhaps it is well to mention the fact, that it can be, and has been grossly abused. It has been used to make attractive, places that are vile and ruinous in their work

YOU'RE AN EASY PREY, with your flesh reduced below a healthy standard, for Consumption and other Scrofulous and dangerous diseases. And it's for just this condition that Dr. Pierce's Golden Medical Discovery is especially valuable. If you're thinner than you ought to be, whether from wasting diseases, defective nutrition, or whatever cause, the "Discovery" will surely bring you up to the healthy standard. By restoring the normal action of the deranged organs and functions, it arouses every natural source and means of nourishment. A strength-restorer and flesh-builder. It can be had in tablet or liquid form. Ingredients printed on wrapper. Dr. Pierce's Pleasant Pellets are the original little liver pills, first put up over 40 years ago. They regulate and invigorate stomach, liver and bowels. Much imitated but never equaled. Sugar coated and easy to take as candy.

and influence.

One of the poets has thus expressed it:

Listen in the cause of sin,
Why should a good be evil?
Music, Alas! too long has been
Pressed to obey the devil
Drunken or lewd or light the lay
Flowed to the souls undoing
Widened and strewn with flowers the way
Down to eternal ruin.

But this is not the legitimate use of music; its natural use and its only proper use is in uplifting and ennobling character, in strengthening, purifying, refining, making better that which is best in men every where.

Farmers' Union Meets.

The Medina County Farmers' Union met with the Black Creek local Sept. 11, 1915, and had a very interesting meeting, the following resolutions were passed:

Whereas, the Warehouse and Marketing Law in existence in Texas at present is the best and the most thorough law on our statute books, a law to protect the tiller of our soil in weights and grades of their product, and especially cotton, the most important product in the South, the product that brings the gold back to our country from other countries, a law to protect the farmer from the immense loss of sampling, difference in tare, weight, in bagging and tires, country damage, ninety per cent of which is caused by wet ginning, water run in bale while in gin, etc., and which is taxed against the bale whether it is a good clean bale or not, not direct but indirect, which all losses means to the farmer not less than \$3.50 on every bale of cotton at the rate of ten cents per pound, which can be saved to the farmer through this Warehouse and marketing law, a law that provides for a negotiable paper as a Warehouse receipt issued on farm products to where the farmer can be protracted from a glutted market and not be forced to sell his product that he and his family may have labored so hard for, at less than cost of production instead of at a profit, a law that is a protection to the ginners, to the local buyer and all other buyers even on to the factory and millmen and all others as well as the farmer.

Whereas, the organization known as the Ginners Association of Texas, and others are condemning this law to the bitterest end without any valid reason.

Therefore, be it resolved that we, the Medina County Farmer's Educational and Co-operative Union of Texas, assembled Sept. 11, 1915, with Black Creek local, Medina Co., Texas, heartily condemn the action taken by said Ginners Association, and all others who are playing enemy to this warehouse and marketing law.

Resolved further that we, the said body assembled, shall use all efforts to uphold and uphold said warehouse and marketing law, and also shall not be in sympathy with any one who will refuse to obey this law but shall use all efforts to convict anyone who violates this law.

JOS. LANGFELD,
H. W. BUTTS,
C. C. GODDEN,
Committee.

This is also a resolution passed in same County Union:

Whereas, The Farmers' Union Cotton Company at Houston, organized by the Farmers' Union and controlled, and that said company is a safe company which has already proved to be a safe proposition.

Therefore, we recommend and urge that all members of the Farmers' Union who want to borrow money on their cotton ship their cotton to the Farmers' Union Cotton Company and borrow money from said company.

The May Apple Liver Tonic.

May Apple is an old time liver medicine. Its active principle (Podophyllin) is sometimes called Vegetable Calomel. In Po-Do-Lax May Apple is combined with other well-known liver remedies, making Po-Do-Lax the ideal liver medicine. It arouses the liver, increases bile, does not gripe, has no nausea and one feels fine generally. Get a 50c bottle, take a dose tonight and notice how much better you feel—you cannot afford to get along without Po-Do-Lax. "The Liver Tonic with Vegetable Calomel." 50c.

Sabina! Sentinel Siftings.

The Baptist Revival will begin on Saturday night, Sept. 4th to be conducted by Rev. W. L. Marlin of Hondo. Everybody cordially invited to come and assist us.—Rio Frio Cor.

Mr. Sidney Fly and family were here last week from Hondo visiting relatives.—Utopia Cor.

Miss Ola Fisher left Sunday for Hondo where she has a position in the High School there.—Utopia Cor.

Miss Amanda Tampke gave a party last week in honor of Miss Nora Connor.—Utopia Cor.

Mrs. Ann Reinemer and Mrs. Harrell went to Hondo Tuesday.

HONDO LAND CO.

Fletcher Davis, Manager
HONDO, TEXAS

Invite the attention of Home Buyers and Real Estate Investors to the following list of Properties:

200-acre farm, eight miles north-west of Hondo. Eighty acres in field, all fenced and tillable. Seven-room house, good well and wind mill.

**Cold Settled
In His Back**

"Foley Kidney Pills always give me prompt relief."—Ed Veltan, Reunion, Neb.
"I have used Foley Kidney Pills for backache, the result of catching cold which settled in my back. Foley Kidney Pills always give me prompt relief and I can cheerfully recommend them."
The reason Foley Kidney Pills act so satisfactorily is because they neutralize and dissolve the poisonous waste matter that remains in the blood because the kidneys do not do their work properly in filtering and casting out from the system uric acid and other poisons.
Relief usually follows in a few days and such symptoms as pain in the sides or back, stiff joints, sore muscles, rheumatism, the frequent action of the bladder at night, and other painful and annoying ailments disappear. Foley Kidney Pills contain no harmful ingredients. They are safe as well as quick acting.

W. H. WINDROW, Hondo

Warehouse and Hold Cotton.

Owing to conditions confronting the South in marketing this season's cotton crop, brought about by the European war situation and cotton being made contraband of war by the entente alliance, it will require the greatest effort of farmers and all correlated interests in judiciously marketing this season's crop if we obtain the fair due in accordance with its demands in the world's market.
To the farmer we urge the holding, warehousing and selling to the slowest possible degree in keeping with good business judgment. To the merchant we urge the greatest assistance in this work possible, lending your every effort in the building of adequate bonded warehouses and unstinted moral support, backing and assistance in this effort for the welfare of all.
To the banker, we urge a strict compliance with regional bank law, the acceptance of all advantages given therein, and the taking of all aid as offered by Secretary-Treasurer McAdoo in the financing of every date possible in the hands of the producer, at six per cent.

Your meeting in Galveston a few days ago was a new departure in the financing of the South, and has led all to believe that you have ample ability under existing laws to finance the entire cotton crop, stored in adequate bonded warehouses. To all correlated interests, and especially the press, we desire to say that cotton is the nation's greatest asset, bringing a steady stream of gold from foreign shores, turning the balance of trade in our favor. The duty of all is apparent. If the South fails to obtain fair value for this crop, the nation is much loser and the producer that much poorer.

We are frank to say that we believe if all interests will co-operate, as man to man, doing their full duty, that the problem confronting us (the marketing of this season's cotton crop) will be solved to the advantage and glory of all.

We urge the storing of cotton in local warehouses and financing through local banks where possible. We also urge the shipment of cotton to the Farmers' Union Cotton Company at Houston, which is in position to finance all cotton shipped in at three-fourths its market value at six per cent interest per annum. It has ample warehouse facilities and is in position to finance and store all cotton shipped in. The Farmers' Union has made all possible effort and arrangements for caring for the situation, and we believe that where the individual farmer rushes his cotton on the market as fast as gathered, and if he does not obtain fair prices for same, that the burden will be upon him in not taking advantage of arrangements made for his assistance.

In conclusion, we urge the co-operation and assistance of all, and if this is done the victory is won.
(Signed) Jos. Langfeld, president Southwest Texas District Union; J. E. Cherry, president Central Texas District Union; D. E. Lyday, chairman executive committee Farmers' Union of Texas; L. E. Culver, acting president Northeast Texas District Union; E. F. Skrophire, manager Farmers Union Cotton Company; Henry N. Pope, president Farmers' Union of Texas; George E. Courtney, vice-president Farmers' Union of Texas; C. Smith, secretary Farmers' Union of Texas; George E. Courtney, president Wichita Valley District Union; N. R. Dorsey, president Central East Texas District Union; Louis Garms, president Pecan Valley District Union.
Fort Worth, Texas, August 26, 1915.
—Southland Farmer.

Health and Happiness Depend Upon Your Liver.

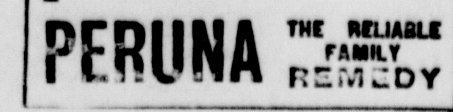

That sluggish liver with its sluggish flow of bile is what makes the world look so dark at times. Dr. King's New Life Pills go straight to the root of the difficulty by waking up the action of the liver and increasing the bile. Dr. King's New Life Pills cause the bowels to act more freely and drive away those "moody days." 25c a bottle.

Triple Fs Entertained.
On Monday evening the Triple Fs were again delightfully entertained at the home of Miss Bennie Hurt.
After playing several games of forty-two the Fs were served with delicious refreshments, consisting of fruit salad, sandwiches and iced tea.
Those served were: Misses Ella Hardt, Lucile and Lorine de Montel, Lizzie Schuehle, "Crisy" Pike, Mabel Holloway, Marie and Dora Fillemann, Ethel Gaines, Goldie Hurt, Lucy Crane, Bennie Pane and the hostess.
CONTRIBUTED.

Schools May Bar Children.
Common colds are contagious and boards of health in many cities are considering barring children with colds from school. Foley's Honey and Tar is an old and reliable family medicine and frees children from coughs, colds, croup and whooping cough. Parents may save trouble by giving before school opens. Louis Carle, D'Hanis; W. H. Windrow, Hondo.

Stomach Catarrh Is Very Prevalent

In this climate catarrh is a prevalent disease. Catarrh affects the stomach as often as any other organ. Perhaps every third person is more or less troubled with stomach catarrh. Peruna is extensively used in these cases.

REV. AND MRS. WALTER DEARD OF this place and Mr. and Mrs. Ad. C. Wurzbach of Riomedina left Saturday for Lavernia where Rev. Kralik assisted in conducting Mission Services Sunday.
Cards are out announcing the marriage of Mr. Alfred N. Steinele and Miss Cecelia Wurzbach to take place Sept. 22, 1915, at St. Louis Catholic Church.

The C. K. of A. Members and their families have arranged to give a picnic Sunday at Wernette's Garden.

Miss Alice Tondre returned home Saturday from Hondo where she attended the Teachers' Institute.

Miss Alma Bandy of Yancey spent Saturday with her friend, Miss Alice Tondre.

Mr. and Mrs. Gerhardt Ihnken and little daughter of Chicop spent Sunday here with Mrs. Annie Boehme.

Miss Freida Boehme of Riomedina spent Sunday here.

Tommy FitzSimone of San Antonio spent Sunday here with his parents, Dr. and Mrs. J. T. FitzSimone.

Miss Grace Carter of Hondo was the guest of Miss Alice Tondre Sunday.

Mr. and Mrs. Alfred Rihn, Miss Florence Biediger, Miss Willie Renken, Paul Kempf, Miss Hilda Tondre and W. W. Wernette attended the dance at Hondo Friday night.

Monroe Taylor and Jack Matthews were Hondo visitors Friday.

Miss Louisa Maurer of Riomedina spent Sunday with homefolks.

Mr. and Mrs. Otto Haby of Riomedina attended church here Sunday.

Mrs. Robert Rihn and little son, Loyd Robert, spent the first of the week in Dunlay visiting friends and relatives.

Mr. and Mrs. Henry Steinele returned home from a several days' visit in San Antonio.

Mr. and Mrs. James Galbreath of San Antonio visited William Rihn and family the middle of the week.

Mr. and Mrs. Robert Halty and baby were shopping in town Monday.

Mr. and Mrs. Eddie Haby of Dunlay spent Sunday here with friends.

Miss Cecelia Steinele is spending the week with Miss Elveria Wurzbach at CHI.

Miss Olga Droucourt is visiting her brother, Jack Droucourt, and family at Hondo.

Little Miss Cornelia Noonan celebrated her birthday Sunday by inviting a few of her little friends. Refreshments were served and a good time was had by the little tots.

Harry Vonille visited relatives in Devine Sunday.

Oscar Taylor of Hondo spent several days here visiting relatives.

Mrs. Louis Scherrer and daughter, Miss Pauline de Montel and Miss Laura Rihn visited Hondo Friday and Saturday.

Willie Wurzbach and sister, Miss Alma, Oscar Reus and Miss Eliza Seekatz of Riomedina took in the dance at Hondo Friday night.

Dr. and Mrs. Whitehead and two children arrived from Del Rio and will make Castroville their home.

Louis Mangold and son, Adolph, were San Antonio visitors the first of the week.

Joe Hans and family moved to the Caroline Bohl place this week.

Miss Adella Keller returned from San Antonio the middle of the week.

A Wonderful Antiseptic.

Germs and infection aggravate ailments and retard healing. Stop that infection at once. Kill the germs and get rid of the poisons. For this purpose a single application of Sloan's Liniment not only kills the pain but destroys the germs. This neutralizes infection and gives nature assistance by overcoming congestion and gives a chance for the free and normal flow of the blood. Sloan's Liniment is an emergency doctor and should be kept constantly on hand. 25c, 50c. The \$1.00 size contains six times as much as the 25c.

The old-fashioned man who used to "set his son an example" now also has a daughter who is teaching father to tango.—Philadelphia Inquirer.

Yancey News.

Mrs. D. L. Williams entertained with a miscellaneous shower Friday afternoon, complimenting Miss Maggie McCaughan, a bride of next week. The hostess served delicious refreshments consisting of pineapple custard and angel food cake.

The most important event of the season took place on Monday morning, Sept. 13th, namely, the opening of the Yancey High School. The parents of the children came to school, all brought a nice basket of lunch. The new Auditorium not being completed the crowd assembled around the front steps when Prof. Hickman made an interesting and encouraging talk along the line of school work for the coming year.

Prof. Turner who will have charge of the Agriculture Department made some good remarks.

Miss Mildred Smith gave a reading, the rendition of this showed much efficiency.

Miss Bessie Boon will have charge of the Domestic Science Department. Miss Alma Garrison, Primary Department; Miss Willie Barton, Music Department; Miss Kate Saathoff will teach the Mexican school.

After the lessons had been assigned and the exercises over, the baskets were opened and a delicious picnic spread was enjoyed.

The workers are busily engaged in the erection of the new school Auditorium.

Every Home Needs a Faithful Cough and Cold Remedy.

When seasons change and colds appear—when you first detect a cold after sitting next to one who has sneezed, then it is that a tried and tested remedy should be faithfully used. "I never wrote a testimonial before, but I know positively that for myself and family, Dr. King's New Discovery is the best cough remedy we ever used and we have tried them all." 50c and \$1.00.

Noonan Notes.

Mr. and Mrs. Wade Rackley left for their home at LaPryor after spending a week with relatives and friends at Noonan.

Jim Heath, Will Rackley and Aaron Farris made a trip to San Antonio Tuesday.

Mr. and Mrs. Lou Rodgers made a business trip to Lacoste Tuesday.

Max Koehler made a flying trip to Devine Tuesday.

Frank Lowe made a trip to Devine Wednesday.

Jim Barten and Landy Shelton made a trip to Lacoste Wednesday.

Miss Barbara Shelton is reported quite sick this week, but is some better at this writing.

Ed Searcy of Noonan was a San Antonio visitor Monday. He was accompanied home by his cousin, Mr. Ward.

Jim Shelton of Mustang Prairie visited Miss Alvina Kempf Thursday.

Jim Kirkham was a business visitor at Natalia Saturday.

Mrs. Henry Kempf of Mustang Prairie was a Lytle visitor Saturday.

Ed Searcy and Archie and Aaron Farris attended a dance at Lacoste Wednesday.

A large crowd attended the dance given to Ed Searcy Friday night. Everyone reported a most enjoyable time.

Sept. 5, 1915.

Did The Old Man Good.

Geo. W. Clough, of Prentiss, Miss., is seventy-seven years old and had trouble with his kidneys for many years. He writes that Foley Kidney Pills did him much good. He used many remedies, but this is the only one that ever helped him. No man, young or old, can afford to neglect symptoms of kidney trouble. Louis Carle, D'Hanis; W. H. Windrow, Hondo.

Miss Schuehle Entertains.

On Thursday evening, at the home of Mr. and Mrs. Aug. Schuehle, Miss Lizzie Schuehle entertained the Triple Fs in honor of her friend, Miss Lucy Crane, of Lacoste.

Some merry games of forty-two were enjoyed during the evening, after which refreshments consisting of tunny salad, olives, pimiento sandwiches and iced tea were served.

Miss Crane contributed several musical selections, after which the guests departed, declaring Lizzie an ideal hostess and best wishes for the honoree.

Those who enjoyed the party were: Misses Marie and Dora Fillemann, Christine Pike, Bennie Hurt, Lorine and Lucile de Montel, Ella Hardt, Lucy Crane and the hostess.

CONTRIBUTED.

Perhaps the reason a woman changes her mind is because she doesn't like the looks of it after she has made it up.—New York Times.
The difference between recreation and dissipation is largely the difference between getting hot and keeping cool.—New York World.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tone" Will Clean Your Sluggish Liver Better Than Calomel and Can Not Salivate.

Calomel makes you sick; you lose a day's work. Calomel is quicksilver and it salivates. Calomel injures your liver. If you are bilious; feel lazy, sluggish and all knocked out, if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tone instead of using sickening, salivating calomel. Dodson's Liver Tone is real liver medicine. You'll know it next morning because you'll wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful, full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tone because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tone to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about me.

TAN-NO-MORE AND FRECKELEATER
Two of the most Scientific Beautifying Agencies Known.

TAN-NO-MORE THE SKIN BEAUTIFIER
The scientific combination of Cream and Powder. Delightful in appearance and pleasing in its effect. Used during the day it is a protection from the sun and wind. In the evening its use assures a faultless complexion.
Experience has taught us that the best way to keep Tan-No-More is to put it on very wet and rub it with a soft towel at once and do not wait until it dries.
All Dealers
50 AND 35 CTS.

FRECKELEATER CREAM
For the removing of Liver Spots, Freckles, Ring Worm and all kindred blemishes of the skin. It will bleach the skin in 10 days and make it as smooth and soft as a baby's.
Makes Bad Complexions Good Good Complexions Better.
All Dealers
50 AND 25 CTS.

All goods sold under an absolute guarantee to please or money back. Anyone requesting it will be sent a small sample of Tan-No-More and our little Booklet by Mail.

Temperament.

A good many persons treat their temperament as if it were a wart or a tumor over which they had no control.

"I simply can't do that," a man will say. "I guess it's a matter of temperament." Or a man who is a "wheeler on the trail"—who takes a wife as a "partner" and then quits her on the trail—excuses himself on the score of temperament.

There is temperament, of course. And it is a good thing. It is chiefly that which keeps us from all being alike. Life would be dreadfully equable and boring if it were not for temperament.

But to mistake "cold feet" for temperament, or to let the real thing in the way of temperament master you instead of being mastered by you—that's bad. It's worse than bad, it's stupid.—Kansas City Times.

His Guess.

"There's only one seat left for to-night, and that's behind a post," said the man in the theater ticket office. "How much is it?" "Why, two dollars." "What's the matter? Isn't the show worth seeing?"

IS ARTIFICIAL SUN

Invention of Scientists for Purification of Water.

Is Claimed to Have Much the Same Effect as That Produced by the Rays of the Sun—in Use in Europe.

It has long been known that water allowed to flow over a bed of sand, a natural filter, and subjected to the sun's rays, soon becomes free from harmful bacteria. The powerful sterilizing effect of the sun's rays which are so effective in destroying germs has been attributed to the ultra-violet part of the light. The problem for scientists has been to devise some way of employing the sterilizing effects of these rays in an effective manner for human use.

French and German scientists set about the task and have produced a new sterilizer, in which, in order that the maximum amount of ultra-violet rays can penetrate the rock crystal, which is the only solid that will admit such penetration. The light given out is vastly richer in ultra-violet rays, in proportion to visible rays than in sunlight.

The sterilizing apparatus was tested at Marseilles and Rouen, where typhoid has become an epidemic, and the results obtained were highly satisfactory. The French carried one of the sterilizers into Morocco and the freedom of the troops from ravages of typhoid, which raged among the Moors, was attributed by the army surgeons largely to the use of the ray-sterilized water. Reports of tests made in the Austrian army shows a similar success for the system, and the United States army surgeons in the Philippines declare that the rays destroyed the harmful bacilli in the water there and also the ameba, which abound in practically all tropical waters.

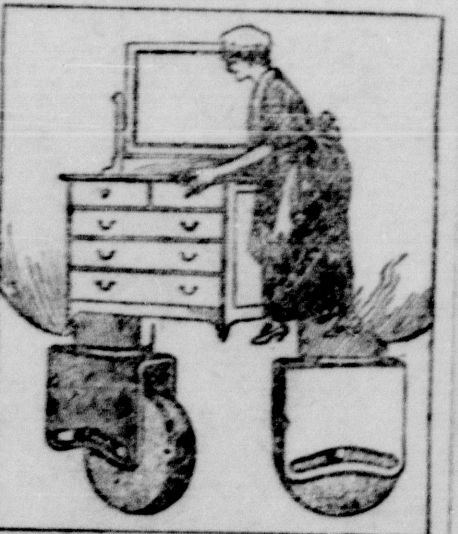

The rays, it is said, may also be used for purifying the waters of public baths and their use will be especially valuable in keeping the water of swimming pools pure and free from lurking danger of germs. The cost of the apparatus is comparatively low—an outfit of 150 gallons per hour capacity costing in the neighborhood of \$200. Cost of operation is slight where electric current is available, and the operation of the machine does not require a high degree of skill.

Further use for the invention will be found in purifying water for the manufacture of artificial ice, in bottling works and other industries, in which the purity of water used should be an important consideration. Experiments are now being made to find a means for adopting the rays to the sterilization of milk and it is thought that such an apparatus making use of the ultra-violet principle will ultimately be evolved.

CASTER EMBODIES NEW IDEA

Ingenious Mounting Makes Considerable Improvement Over the Apparatus of the Past.

An ingenious mounting for the wheel is embodied in a furniture caster recently invented. The caster holder, as described by Popular Mechanics, revolves on a pin inserted in the furniture leg in the usual manner, while each end of the axle of the wheel works in flat inverted V-shaped

Caster That is Central Under Leg of Furniture When at Rest, but Moves to One Side When Rolled.

slots in the sides of the holder, so that the wheel slides from one side to the other when the furniture is being moved and trails readily without requiring the holder to reverse. When the furniture is at rest the axle takes its place at the middle or high part of the slot and the faster wheel is therefore central under the furniture leg.

The Princess Islands.

The Princess Islands, in the Sea of Marmora, now said to have been fortified, as the last defense of Constantinople, have been a place of exile in all ages. In Byzantine times the savage Empress Irene was shut up in a nunnery upon Prinkipo, the chief island. At the time of the Young Turk revolution the worst officials of the Yildiz gang were interned here, though they were politely termed "guests of the isle." And afterward the Marmora Islands became the dumping ground of the wretched dogs of Constantinople, which the reformers did not dare directly to put to death, though they had no scruples about leaving them to starve and perish of hunger tempered by cannibalism.

BIG DANCE AT BIRY

Saturday Night
SEPT. 25th

Good Floor! Fine Music

Notice!

The undersigned ginners are under bond to comply with the Warehouse and Marketing Law of Texas, and therefore will not gin any wet cotton; and if it be found after ginning has commenced on a bale that the cotton is wet, damp, rotten or otherwise damaged such fact must be stated on slips of samples taken out. Further, an additional charge of 15 cents per bale will be made to cover extra expense for taking the samples. Further, we authorize all cotton buyers to collect all unpaid gin tolls when purchasing cotton and settling for same.

Respectfully,
